

JOIN PNWAS 2017!!

**IN QUEST OF OUR PAST for over 32
years BP now!**

NOTE: We have made a wonderful transition to The Mountaineers Programs Center near University Village, Seattle. Though a relatively expensive transition, we have decided not raise our membership fees (which have been the same since we started—in 1985!—remember those days!), but we DO ask for you to be sure and renew and help support the ongoing cause (and rising expenses....).

We again request your help in making the **Pacific Northwest Archaeological Society (PNWAS)** better yet for **2017**, in our **32nd** year of programs, projects and events. Your membership will continue to support PNWAS in our mission: giving the public a better understanding of our *region's and world's* rich and ancient cultural heritage. By helping PNWAS at one of the levels indicated on the back of this form, **you will provide the vital margin needed to assure meeting our goals.** Your help means you are a direct part of the PNWAS educational effort. To keep up with scheduled programs, see our new and developing web site at: <http://www.pnwas.org>

As a member of PNWAS we provide the following membership benefits:

EXPEDITIONS
